Sir:

In response to the Office Action mailed on June 4, 2008, please amend the above-identified patent application as shown on the pages that follow. Inasmuch as the three-month statutory period for response expires on September 4, 2008, this Amendment is being timely filed and no extension of time is believed necessary. If any additional extension of time and/or fees are necessary for entry and consideration of this Amendment, Applicant requests that such extension of time be charged to Deposit Account No. 50-2929, referencing Docket No. P23254.
